Class of 2021,

We hope this letter finds you all doing well and staying healthy during these uncertain times. While the plans are to start the school year virtually, we will be able to hold senior portraits this year, albeit, in different conditions than previous years.

## Senior Portrait Dates at Midlothian High School

Wednesday, August 12<sup>th</sup> – 9:30 AM to 2:00 PM (Aux Gym) – **SIGN UPS REQUIRED**

Thursday, August 13<sup>th</sup> – 8:30 AM to 2:30 PM (Aux Gym) – **SIGN UPS REQUIRED**

If you cannot make these dates, a make-up opportunity will be made available when underclass pictures are scheduled. These dates have yet to be decided.

To sign up, please go to: <https://www.pickatime.com/candidcolor/midlothianhsattend>

**You must sign-up for a sitting.** Local guidelines have set a maximum number of occupants in the picture location. Appointment times are limited in order to comply with this measure. We cannot take same-day appointments or assist those that do not schedule in advance.

Your yearbook pose will be different this year. The traditional tuxedo and drape pose will NOT be available at this session. Candid Color is hoping to offer another session for tux / drape and cap and gown portraits when schools reopen. We ask that seniors bring the following attire for your senior yearbook photo to maintain a consistent look and style in your class pages:

- Bring a white, button-down dress shirt and tie
- Bring a black blouse or dress.
- NO props of any kind.

Candid Color will still be able to offer indoor casual photos and outdoor environmentals., so bring changes of clothes and your own props like sports equipment, musical instruments, and other items that are part of your hobbies. For a list of Candid Color's guidelines, please review the attached letter.

Seniors are required to sign a waiver that allows him or her to be photographed at the scheduled appointment. A downloadable copy will be available when you schedule your appointment. It must be signed and turned in to the photographers.
