**Dear parents and students,**

Candid Color Photography is your school's official school photographer. The COVID-19 pandemic is unprecedented and has changed how we need to conduct picture day. Rest assured that the health and safety of students, school staff, and Candid Color staff is our highest priority.

**Candid Color photographers and staff will be implementing the following modifications to how we interact with students:**

- Our staff will wear face masks at all times when in proximity with people.
- Our staff will maintain a minimum six feet social distancing when possible.
- Our photographers will be taking pictures from a distance beyond six feet and minimize close interaction as best as possible.
- A specific number of students will be allowed in the picture location at a time. Once a current student is finished then the next in line will be allowed inside.
- Students must refrain from socializing with friends until your appointment is finished and have left the picture location.

**We ask for your cooperation with the following safety protocols:**

- If you have come in contact with someone that has tested positive within 14 days of your appointment then please stay home. You can reschedule your appointment for the next available date.
- If you feel ill, have trouble breathing, have a high temperature or anything similar then please stay home. This also applies if anyone in your household has similar issues. You can reschedule your appointment for the next available date.
- Family members with underlying health conditions should refrain from accompanying you to your session.
- Masks must be worn while inside the building and while waiting in the picture location. You may take your mask off when it is your turn at the photo station.
- Please observe a minimum six feet social distancing space between one another.
- Wash your hands often or use sanitizer. Avoid touching too many objects if possible.

We appreciate you following these new guidelines as we navigate this uncertain time. Please contact us if you have any questions at [customerservice@candidcolor.net](mailto:customerservice@candidcolor.net).

We look forward to seeing you!
